

SPEC SHEET

Nest Aware

Nest Aware catches everything you missed.

Nest Aware continuously records what's happening, 24/7 for up to 30 days.¹ You can scan through your entire video history – not just clips – to see what you missed. You'll also get alerts when your Nest Cam spots a person. Or when Nest Cam IQ or Nest Hello spots a familiar face.²

✓ 24/7 continuous recording ✓ Intelligent alerts ✓ Clips and timelapses ✓ Activity Zones

Save up to 50% on Nest Aware for additional Nest Cams.

FEATURES

Video history

See what happened with up to 30 days of video history and 24/7 continuous recording. Scan through your entire video history, not just clips. And watch key moments in the Nest app and even share video clips.

Intelligent alerts

Nest Aware algorithms can tell a person from a thing and can even recognize the sound of a person talking or a dog barking.³ If you have a Nest Cam IQ or Nest Hello, you already have person alerts. Nest Aware can make them even better with familiar face alerts, so you'll get a notification if your camera sees a family member – or a stranger.

Activity Zones

Create Activity Zones around important areas, like cribs or windows, and get special alerts when motion or a person is detected there. Or if your Nest Cam detects a door, it can automatically create an Activity Zone for you.

Clips

Turn any part of your video history into a clip or timelapse you can share. Send police clips of suspicious activity. Or share cute clips of your baby or pet with friends and family.

¹ Video streaming, recording and mobile notifications require a working Wi-Fi connection.

² Familiar face alerts are not available on cameras used in Illinois

³ Intelligent audio alerts are not available on Nest Hello.
